## ATTENDANCE POLICY

Regular attendance is critically important for children to become successful life-long learners. Please make every effort to notify your child's teacher when your child is going to be absent from school. Every time your child is absent due to an illness, you must provide written documentation. For illnesses resulting in absences longer than five school days, a doctor's note is required. Students who have excessive unexcused absences (more than five) may be required to attend an attendance meeting with school personnel.
