7:30-4:30 pm

Student Hours
8:15-3:00 M.T.Th.F
(Wed. Dismissal is at 2pm)

MESSAGE FROM YOUR PRINCIPAL

Our Wildcats are Lovelling Up with routines and procedures this month. We look forward to seeing our families for Open House. This is a great time for your student to show you the work they are doing in class. We will also have information on our mental health resources and a table set up for Talking Points support.

We learned a lot from our first round of assessments. The FAST (Florida Assessment of Student Thinking) replaced FSA. The FAST is given three times a year for Reading and Math in grades kindergarten through fifth grade. The assessments in August and December are progress monitoring assessments with the final assessment in May being summative. Be on the lookout for progress reports on September 15.

Please make sure students are not on campus without an adult before 8:15. We will have to start giving lunch/specials detention to unsupervised students. This is for the safety of all our students.

Make sure to wear your game shirt on Monday, September 11. Let's Lovell Up, Wildcats! Game on!

HOUSE NEWS

- Congratulations to the House of Meraki for winning the most House points during the month of August.
- September's house challenge will be a fundraiser. The House that brings in the most money will earn a Slime Day. Also, students can purchase house shirts this month. Flyers will be sent home and shirts can also be ordered at Open House.
- Picture day: Sept 29

ELL Department

Hispanic Heritage Month is from September 15 to October 15.

The theme for this year is Latinos: Driving Prosperity, Power and Progress in America.

The students will be learning facts, contributions and Hispanic history during the weeks of September 15 to October 15.

Counselor's Corner

Dear Parents,

-Mental Health Night will join Open House on 09/14/2023. Please stop by to learn more about how Lovell meets the needs of our students' mental health.

-Child Safety Matters Opt Out forms were sent home on 08/29/2023. If you do not want your child to learn about child safety and dangerous situations please complete the opt out form and return it to school by Monday September 11, 2023.
